## TESTIMONIALS

“...The instructor was experienced, the curriculum was practical, and the fellow students were enthusiastic. Taking the learning back to work, I was able to incorporate experiments in my Kaizen Events...” - Larry L.

“The team positively raved about the Gemba Academy training experience and gleaned a wealth of knowledge to take back to their facilities...Word of the training exercises and ideas continues to spread in the organization because of the powerful impression the Gemba training made on the participants.” - Voith Group
